DAISY & Co.

Welcome.

Daisy & Co. provides a unique vintage-chic dining experience. With an art deco finish, eclectic prints throughout and a bright and airy garden inspired room, you will be surrounded by carefully selected details like no other. Brunch was first listed in 1895 as a Sunday meal, but we think it's a great idea and should be for every day. Our menu uses fresh, locally sourced ingredients. Our eggs and milk are from Harefield, English cheeses from Neals Yard and fruit and vegetables are delivered daily from Spitalfields. We make bake and produce everything from the freshest ingredients. We also use a lot of produce from our own sustainable farm in Radlett called Wild Farm.
